VOLUME XXIII

Published by the Senior Class of
Terrace Park High School

Dedication

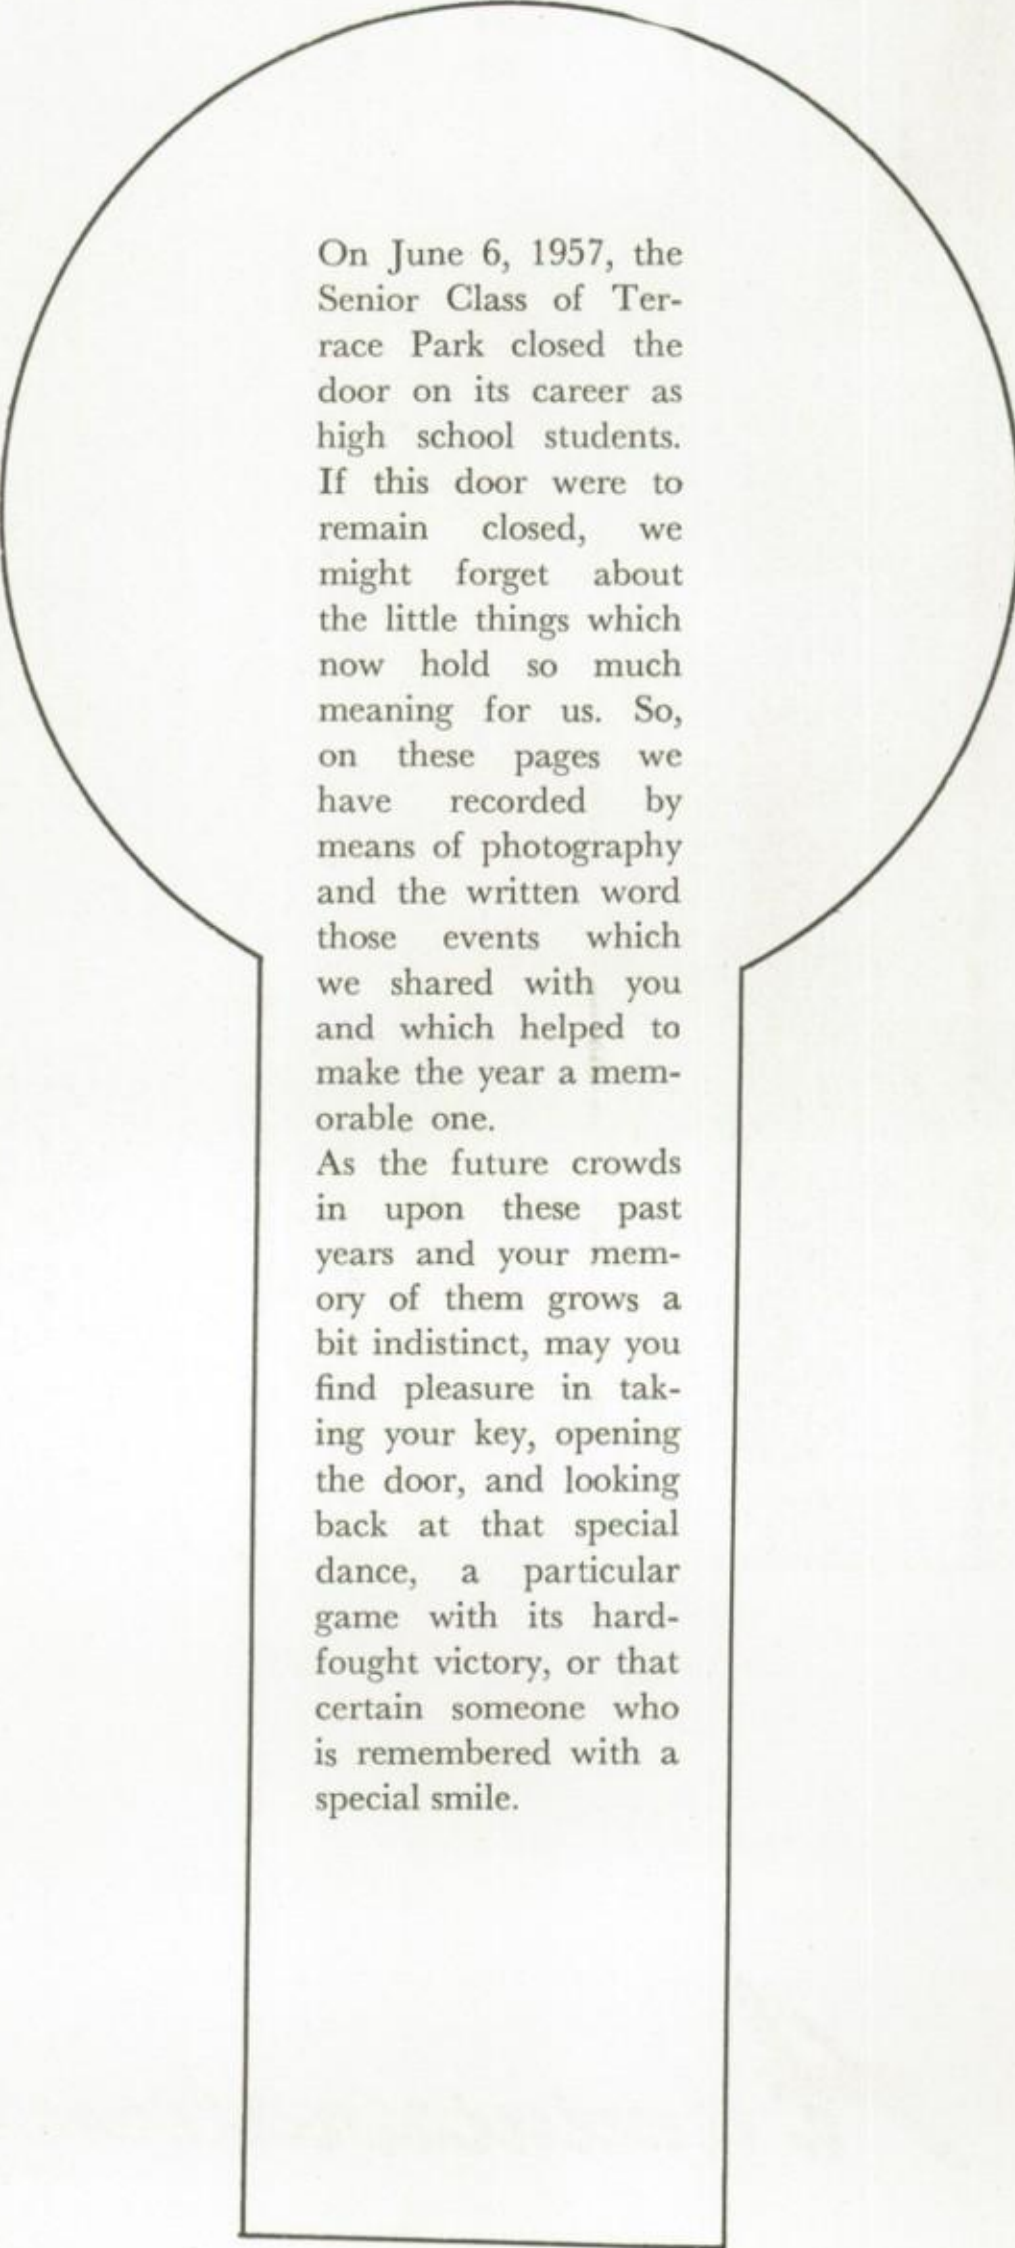

We, the Class of 1957, are proud to dedicate our annual to a man who deserves far more for all he has done for the betterment of Terrace Park School—Mr. Thomas Tate.

He has been an inspiration to us, and we know that without all his help and understanding our class would never have been so successful. He has donated countless hours of his personal time to the different undertakings of the various clubs and organizations.

His crowning achievement was the establishment of the Terrace Park Marching Band, our first and best band in many ears. He has worked enthusiastically with the Band Mothers and the band itself, raising funds for the uniforms and working out formations for the various games.

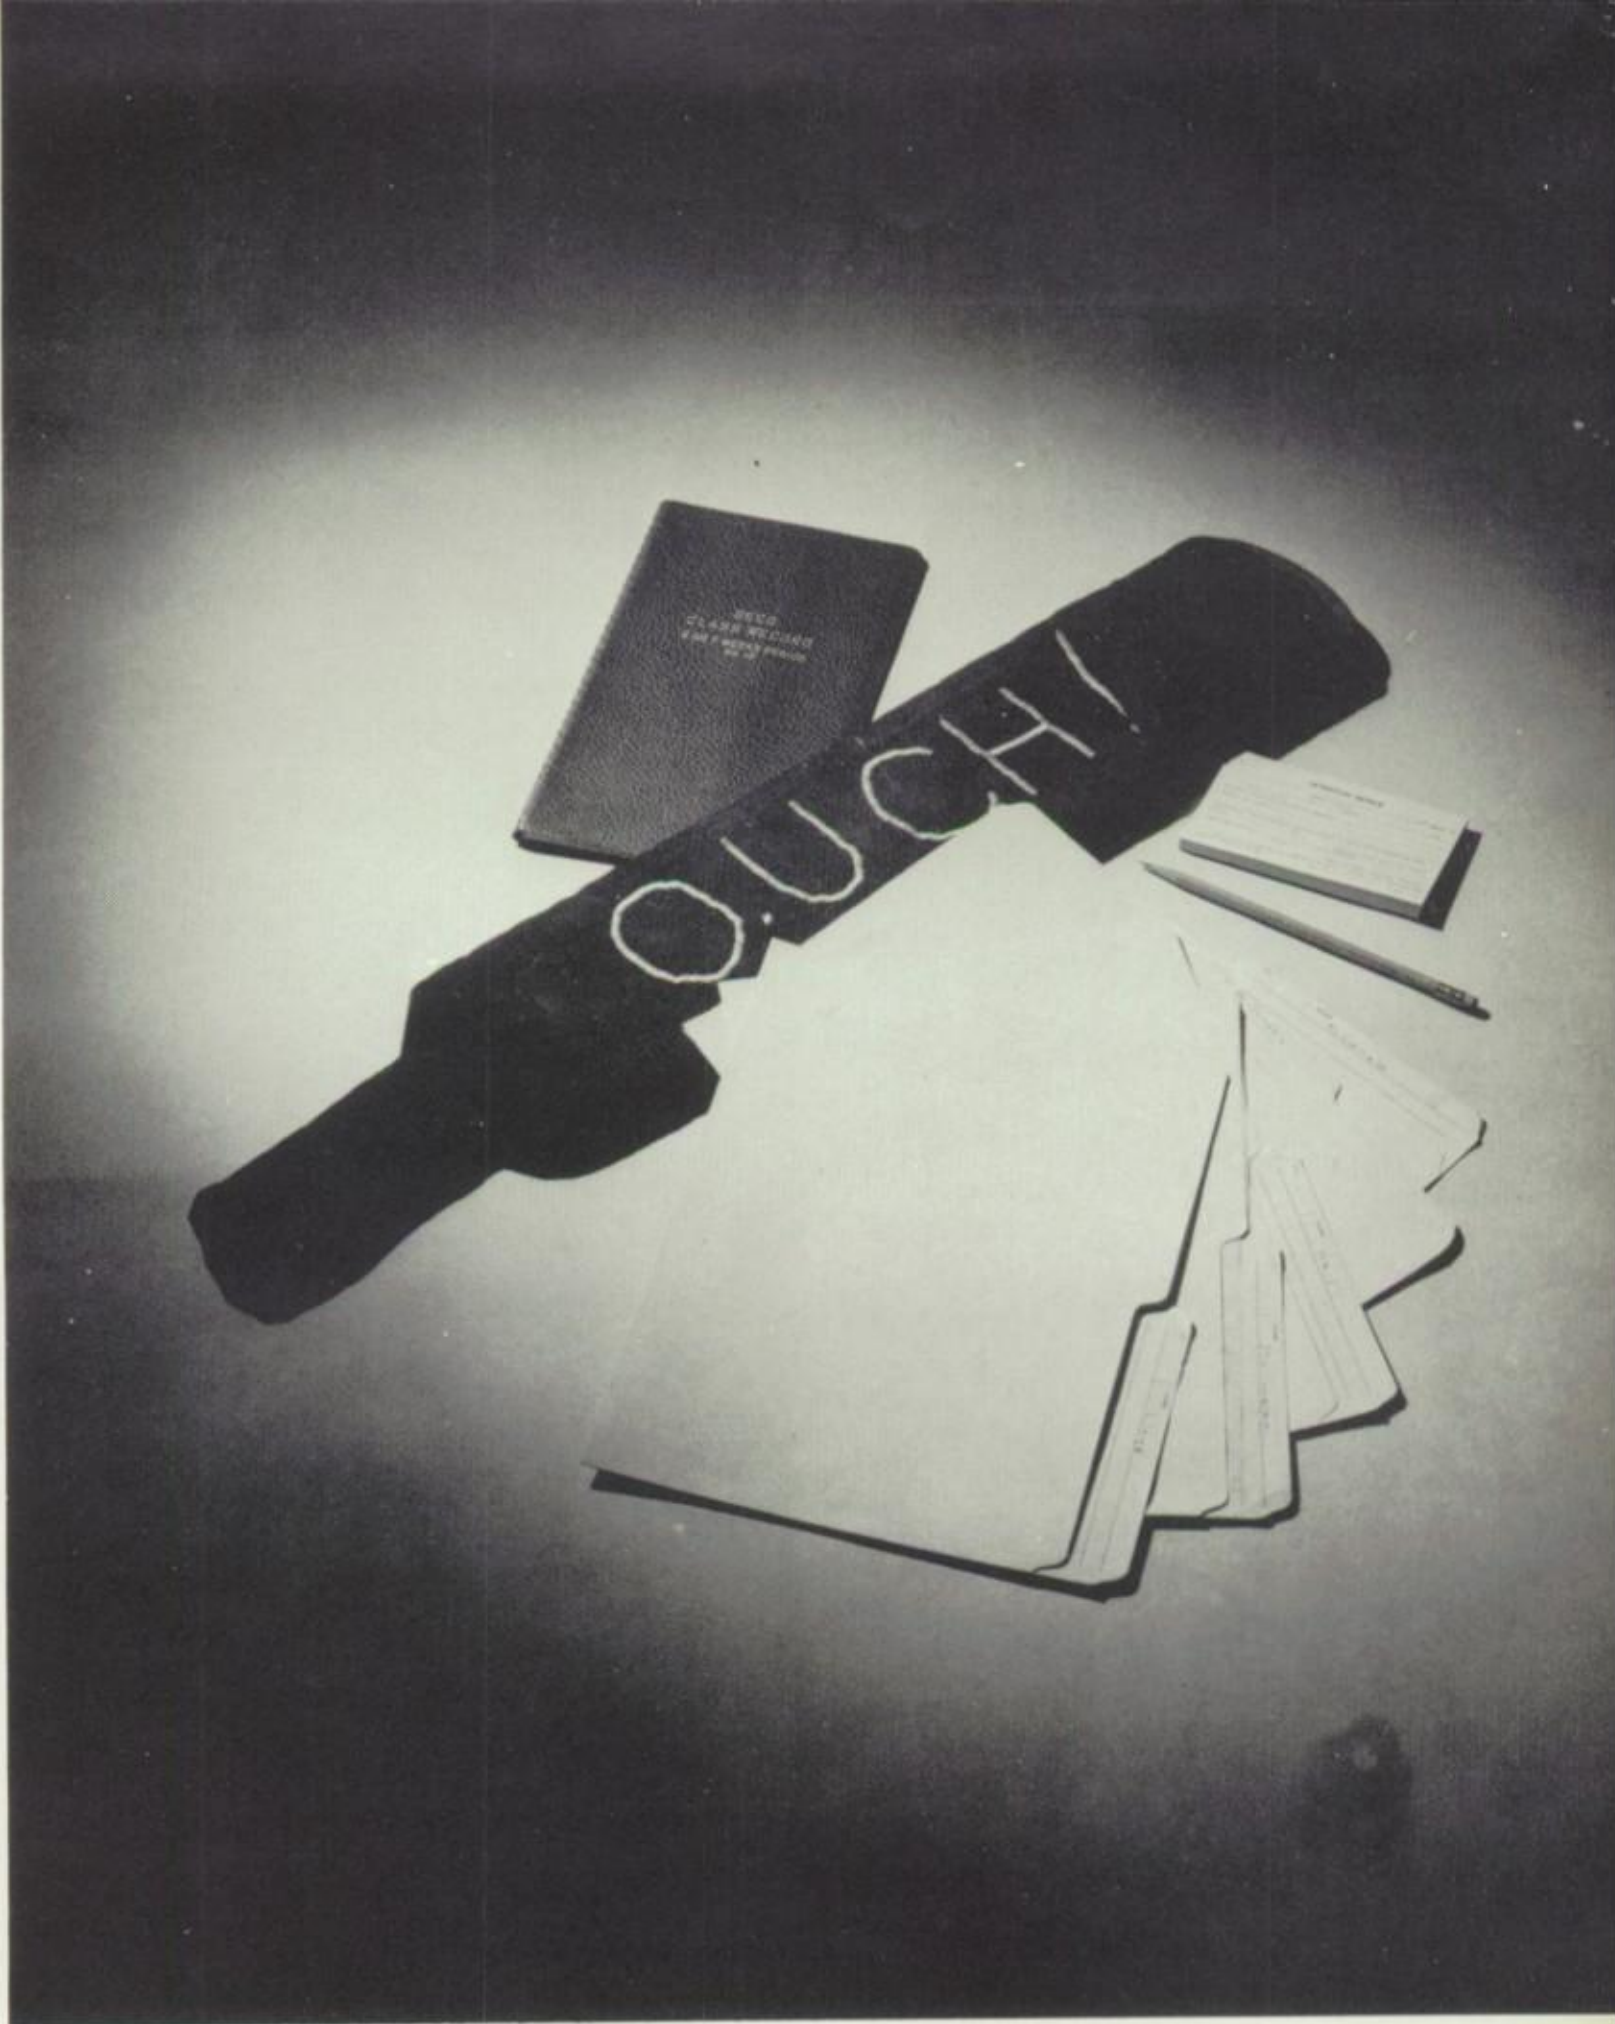

With this yearbook we express our gratitude to you, Mr. Tate.

Let's Take a Peek at the School Year

On June 6, 1957, the Senior Class of Terrace Park closed the door on its career as high school students. If this door were to remain closed, we might forget about the little things which now hold so much meaning for us. So, on these pages we have recorded by means of photography and the written word those events which we shared with you and which helped to make the year a memorable one.

As the future crowds in upon these past years and your memory of them grows a bit indistinct, may you find pleasure in taking your key, opening the door, and looking back at that special dance, a particular game with its hard-fought victory, or that certain someone who is remembered with a special smile.

Administration

We believe pupils in a school are learning to live in a community. We believe in the practice of democratic living—boys and girls learning by doing. Our organization of the school includes a group called the Student Council whose specific duties include the control, schedule, and organization of extra curricular activities. We believe that pupils, as individuals, learn to think for themselves when given the opportunity; and that they do make proper decisions when faced with a problem, if they have been given the tools.

Men and women who graduated from Terrace Park School are proud of the records they have made in our world of today. Boys and girls who attended Terrace Park School are proud of this heritage, and for this reason more adult actions are displayed by the students of Terrace Park.

This heritage is extremely important to all persons who work or go to classes in the Terrace Park District, because we are working to bring more honor and greater respect to our school. Such feelings of respect, the assumption of obligations and responsibility, and the desire for better and more learning has been instilled in the entire school and the Community, thus forming the great American way of life. This is as it should be!

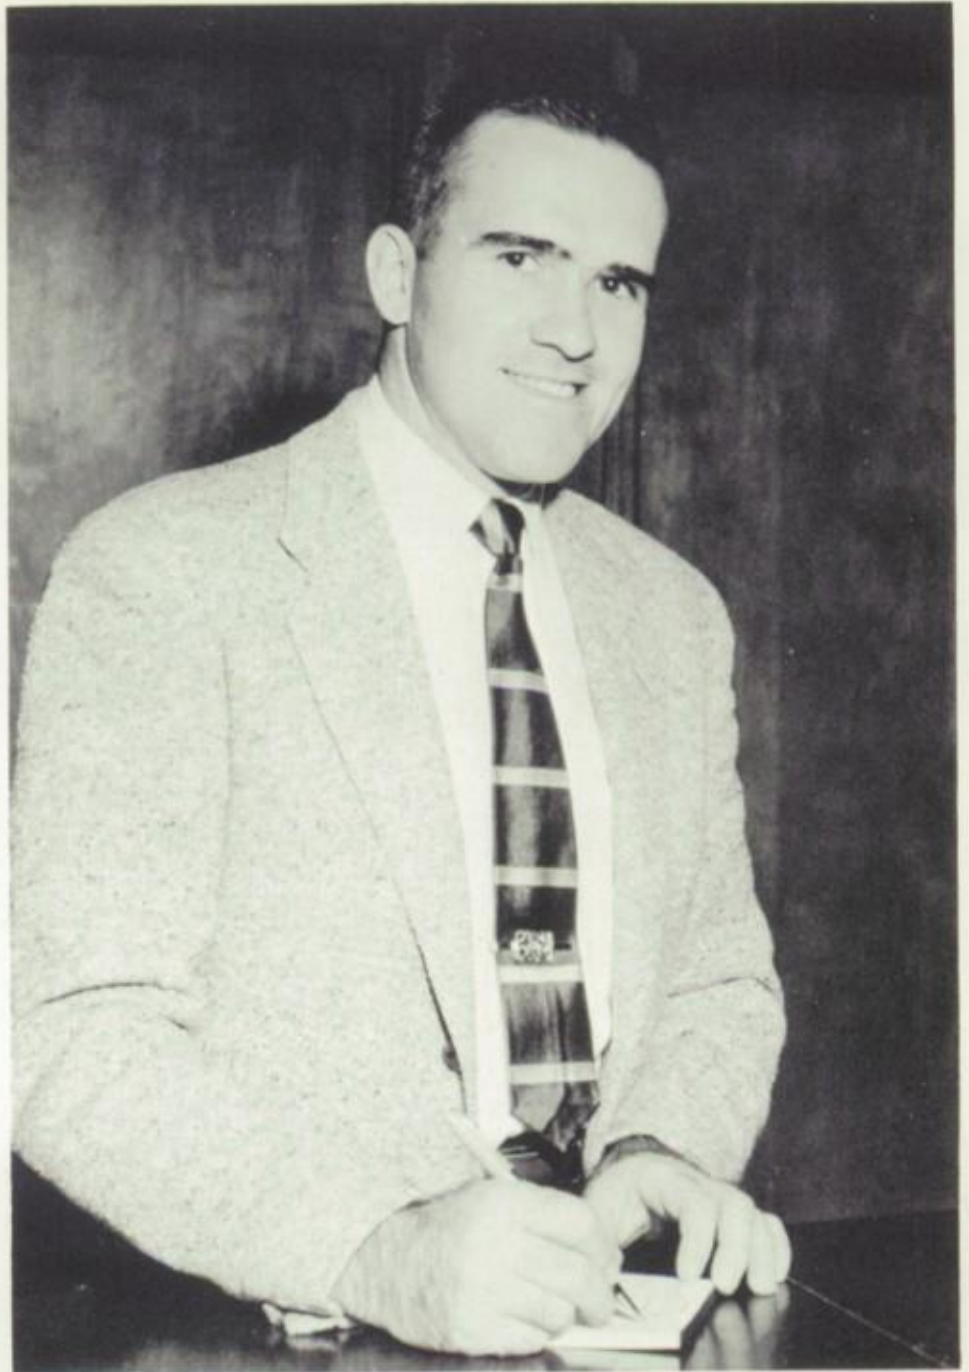

Norman E. Purdy

Principal

Mr. Reece came to Terrace Park in the fall of 1955, and by the fall of 1956, he had become assistant principal. As assistant principal, he is often found writing out late slips or disciplining students, and he would therefore seem to the outsider a rather formidable task-master.

But the real Mr. Reece is quite different from this picture. He has proved to be an invaluable friend to the many students who go to the office for advice. He is always willing to discuss college and scholarships with those students who are interested enough to ask him.

Besides his administrative duties, which relieve Mr. Purdy of a lot of worry, Mr. Reece is a top-flight mathematics teacher. His geometry, trigonometry, and physics students find his classes both a challenging and stimulating experience.

Mrs. Clark is known to most of the student body as the secretary of Terrace Park School; but the faculty, office helpers, and principal realize that she does much more than a secretary's job. She has to know what is going on in the entire school in order to carry out her duties of checking on various reports and assisting in correspondence from the school office. As students, we have learned to know her as a sympathetic advisor in our many activities.

The Student Council, under the advisorship of Mrs. Watkins, has been active this year in many projects designed to make Terrace Park a better school. Other than the weekly scheduling of events and the co-ordinating of many extra curricular activities, Council has sponsored many projects. Early in the year, Teen Canteen was organized and was supported by some one hundred and fifty students. At Thanksgiving time, several needy families were presented with food collected from the students; the polio drive was supported by joining the down-town collectors on Fountain Square, and a student handbook was published.

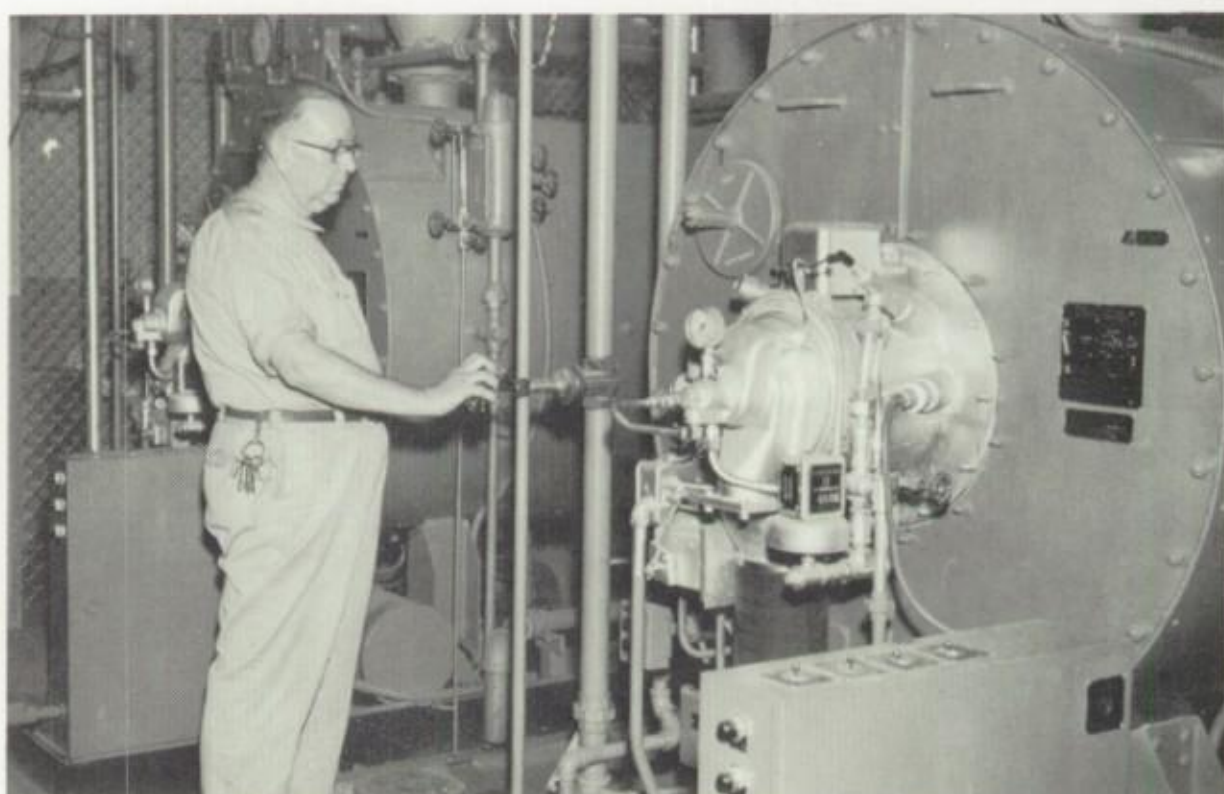

Through these varied activities, we all learned and profited, and we believe that the student body also received benefit from our efforts.

When 11:30 comes, and you see a streak going in the general direction of the lunchroom, you know that Mrs. Hayes is beckoning. She, with Mrs. Klettner, Mrs. McGee, and Mrs. McCarty are there with smiling faces to serve us our lunch. When we stop to think of the time involved in the preparation of some three hundred meals a day, we must realize that this kitchen staff is doing a splendid service to our school.

We all recognize the familiar figure in this picture as Jess Owens. Whenever the school is used for anything, he's here to open and close up. He's also here all day, long after we leave at 3:00.

We all like him, too, because he is so friendly and gets along with everyone so well.

Helpers

Along with the new addition to the school building this year, we acquired two new employees who have done a wonderful job of keeping this ever-growing structure clean—they are Henry Mathis and Clarence McGee. We hope that they will be with us long enough to become as much a symbol of Terrace Park as Jess has.

Pictured here are some of the students who come into the office during their study halls to do such things as answer the phone, make announcements, write out excuses and late slips, type, operate the "Ditto" machine, etc., while Mrs. Clark, Mr. Purdy, and Mr. Reece attend to the more important matters. They are, *left to right*: B. McDonald, M. McCalla, D. Myers, B. Hoeb, and T. Gallagher. Those not in the picture are: P. Kocar, J. Allen, J. Itin, M. Milford, L. Terwillegar, B. Sammons, and S. Hoffman.

When the bell peals at 3:00, the object of most of us is to get home as fast as we can. Luckily, we have a group of young men who are on hand to see that we get off to a safe start in our journey. These safety-conscious students are pictured here in one of their off-duty moments. They are: Lieut. B. Wiebold, J. Wiederhold, C. Todd, S. Bibens, J. Spurling, M. Shanafelt, and R. Bibens. *Not present*: J. Fender, Captain; and T. Preston.

Of course you recognize the school bus in this picture, too. Some of us have spent a good share of our highschool lives being hauled back and forth by one or the other of the drivers, who are: Mr. Innis, Mr. Aicholtz, Mrs. Tarvin, Mr. Wiederhold, Mr. Tucker, and Mr. Howell.

The library staff this year was made up of R. Leisure, J. Dunham, C. Hubbard, M. Winters, J. Vanhooose, Mr. Jacobs, and Mrs. Robinson, their organizer.

This staff spent the better part of the past year in the old library, but all their efforts were rewarded when they finally got into the brand-new library in February.

All through the year they were on hand to advise students on books and any other information which they might be looking for in the library.

School Board and P. T. A.

STANDING, left to right: Mr. Lloyd, President; Mr. Heil, Mr. Stollmaier. *SEATED:* Mr. Purdy, Mrs. McDonald, Vice-President; Mrs. Marsh, Clerk. *Not present*—Mr. Jordan.

Every school community needs the experience, the wisdom, and the energy of public-spirited adult citizens, who are willing to devote their time and energy for the benefit of that community's children and youth.

Terrace Park has always enjoyed the reputation of being something better than average, perhaps even superior in the quality of its school.

As students, we should be mindful of the contribution which the Parent-Teachers Association and the Terrace Park Board of Education make for our welfare.

LEFT TO RIGHT: Mrs. Parker, Treasurer; Mrs. Cone, Second Vice-President; Mrs. Allison, President; Mrs. Lenderman, First Vice-President; Mrs. Lee, Corresponding Secretary; Mrs. Tooker, Recording Secretary.

Seniors

Senior

Officers

The first success of the year for the Senior Class was that they did not take last place in the Homecoming Float Contest—they tied for third place. They proved that their last three years of working together have not been wasted years by putting on a very successful Senior Carnival. A good percentage of the credit for this goes to the seniors' mothers who had the entire responsibility of the dinner.

In order to raise some extra money for their Washington-New York trip, the class embarked upon such projects as bake sales, a spaghetti dinner, and a scrap drive. These not only eased the pain of forking out eighty dollars for the trip, but they also provided fun for those who worked on them.

The awaited graduation was the climax of the year for these upper-classmen. With such a backlog of varied activities, they certainly have a rich background for reminiscence. And as they take their diplomas from the shelf in future years, they can recall with pleasure the many events of 1956-57 at Terrace Park.

Senior Carnival

1. Judy mans the Juniors' booth.
2. "Well, what next," says Carol.
3. Grab this guy, Norma. He has a string of tickets.
4. Who will win the cake? Mrs. Ott looks eager.
5. Business looks good, Doris.
6. Had a hard day, Mary?

The Senior Carnival this year developed into quite a success with the goal of \$500 being exceeded by a few dollars. The early part of the day was a little slow; but toward evening many people came to patronize the delicious ham dinner, prepared by the senior mothers. They stayed on to try their luck at the many and varied booths which included the pony pitch, the dart throw, baseball throw, ring-the-canned-goods, a cake walk, and the drawing for a portable radio and steam iron.

Following the carnival, a talent show, under Mr. Tate's direction, presented many interesting acts. The first prize was captured by a group of boys who did a musical caricature based on "Sh-Boon." Those participating in this skit were D. Fender, H. Gallagher, C. Lindell, M. Milford, T. Tooker, and K. Whitley. The second and third prizes were won by L. Terwillegar and R. Todd respectively for their vocal and instrumental solos.

The proceeds were given to the annual, and we of the annual staff wish to take this opportunity to say "thank you" to all of those who made our carnival a success.

Sophomores

The sophomores shifted easily into their new status (last year they were rookies, greenhorns, frosh etc.) and came up early in the year with their featured dance, "Backward Bounce." The mid-season was filled in with pennant and candy sales, and the collection of dues. The treasury bulged with funds for the much anticipated Junior-Senior Prom of next year. The end of the year was finished off with a big day at Coney Island, with the class enjoying rides, the pool, and other amusements.

Freshmen

The freshman class was large enough this year to find its way into many and varied activities. The athletic minded boys entered into football, basketball, track and baseball. The girls of the same inclination took part in GAA and its various functions.

The class also produced some scholars who participated in the Miami scholarship tests.

All in all the class made a good start in their high school careers. They show promise of succeeding both in high school and afterwards.

During the year the eighth grade has been very active in the school's activities. At the beginning of the year the class, with the aid of the seventh grade, won the homecoming float contest.

In the county, they placed fourth in basketball and third in baseball. The junior high team kept up by bringing home several blue ribbons.

The class as a whole has shown an effort that is sure to make them successful as high school students.

Seventh Grade

The first big thrill for the seventh graders came when the seventh and eighth grades won first place at the homecoming game in October for their float. They also sold the most magazine subscriptions in a contest to make money for encyclopedias for the new library. Thanks to Mr. Effler, they had another first—a seventh grade Spanish class.

A modern Cinderella operetta, called "The Maid and The Golden Slipper," starred the seventh grade in the leading roles. It was presented by the fourth, fifth, sixth, and seventh grades in December.

Key Club is the only honorary club at Terrace Park High School. It was established in 1951 and is sponsored by the P.T.A. Its membership is based entirely upon grades.

To designate who is in Key Club, small pins with keys on them are given to each member on a point basis. Only the six weeks grades are used in figuring points, each grade standing for a certain number. A equals six points, B+ equals five points, and so on down to C. which equals two points. The four keys which are awarded are: Bronze, 250 points; Silver, 350 points; Gold, 450 points; and Grand Gold, 520 points.

This year in *Advocati Latini*, better known as Latin Club, the program was very successful. Membership nearly doubled over last year's, and the additional members all contributed their part to its success. The club carried out such projects as bake sales and held their annual Christmas party in December. January added six more members to the roster, and in March a banquet for all members was given in true Roman style. The juniors were slaves and the new freshmen were entertainers. Everyone was costumed, and the menu for the day consisted of Italian food. The final activity for the year was a picnic at Sharon Woods.

F. B. L. A.

Terrace Park Chapter Terrace Park, Ohio

The Future Business Leaders of America is a national organization whose purpose is to help the members to prepare for a complete business life. It tries to give a true picture of business occupations. Throughout the year F.B.L.A. had bake sales; and they sold calendars, school supplies, and other things. Some of the money from these activities was used to buy new equipment for the commercial room. The members also sponsored some service projects, including the sale of Defense Stamps and Christmas Seals.

At the state convention in Springfield, Ohio, the Terrace Park Chapter of F.B.L.A. was rated second in the state. It was also at this convention that Judy Clark was elected state president.

During June there was a National Convention in Dallas. Several of the members saved their pennies in order to go to this as it is as much fun as it is educational.

This year the Terrace Park chapter of Future Teachers of America, a club which was active several years ago, has been reorganized. The members are those students who wish to become teachers. The club has planned its activities so that they might help the members decide if teaching is the career of their choice.

In the past year, FTA has invited faculty speakers to discuss the grade school education system and the advantages and disadvantages

of teachers' college and of liberal arts colleges.

The club visited the FTA chapter at Wilmington; and throughout the year members have substituted for teachers in the elementary grades, thus gathering first-hand impressions of teaching as a life work.

On the whole the organization has been quite active; and, in view of the enthusiasm of the members, will continue to be so.

The letters GAA stand for Girls Athletic Association. The purpose of this organization is to promote good sportsmanship and to provide athletic activities for girls in grades nine through twelve. The GAA meetings are held every Thursday after school. The advisor for this club is the girls' gym teacher, Mrs. Wise.

Outside of the regular Thursday meetings, the girls participate in such activities as skating, bowling, and swimming.

The girls in GAA sponsor such things as dances and bake sales. Once a year, a donkey basketball game, a featured attraction, is presented by the GAA for the entire student body. These projects help GAA raise money to pay for the awards given at the Mother-Daughter Banquet in the spring.

Dragons

The name Dragon has a meaning: development and research association for general observation of nuclear science. This year the Dragons went on one field trip, and that was to Dayton Observatory. There they saw how a weather station is operated and were amazed at how complicated the operation is. A weather balloon was sent up to the height of approximately thirty miles.

The purpose of the Dragons is to create a more lively interest in science and also perform experiments. The Constitution requires the members of the club take physics and maintain a C average in that subject.

Football

Desire was the main reason for the Bulldogs' fine showing this year in football. Everyone knows that desire can make a good team out of a fair one. Although we were defeated by our arch-rival Milford in our first game, we sprang right back with a rousing victory over Colerain. We then met the Yellow Jackets from Taylor, and as usual, we got stung. Anderson invited us over to help in their homecoming ceremonies, but we didn't co-operate with their plan, and went on to win. Our Homecoming was next, and Madeira fell victim to the Bulldogs. Undefeated Mt. Healthy was next for the road-running Elm Street clan. Here we lost a heartbreaker. Neighboring Indian Hill was next victim for the machine of Terrace Park. Heavy Sycamore was our next capable opponent; here, again, we fell in a run away. The Big Green from Harrison was next to invite the team down for a massacre at their hands. This concluded the nineteen-hundred and fifty-six football season. So, in ending, these words could be added.

Although defeated in five different contests, the students of Terrace Park can well be proud of the team that represented each and everyone of them this year on the football gridiron. Each student of Terrace Park can hold up their heads with pride and say, "We had a good football team at T.P. this year."

Varsity Basketball

The 56-57 basketball season brought its share of victories for our Varsity team. The Varsity team had a very tough schedule in league play, but lost only three games by more than three-six points.

In the class A Hamilton County tournament at Sycamore the team beat Sharonville and co-favorite Indian Hill before losing to Glendale by a mere six points, 54-48. For this fine performance they received the runners-up trophy. Their final standings were eight wins and eleven losses including the tournaments.

The reserve team this year got off to a slow start, losing two practice games to Milford and Mariemont. After this initial taste of defeat, there was determined effort for victory and this effort brought forth five consecutive top scores with Harrison, Madeira, Withrow, Sycamore, and Indian Hill all succumbing to the Terrace Park burst of energy. A non-league game with Loveland took us down again with the tight score of 35-34, but a string of six straight wins against Mt. Healthy, Colerain, Milford, Loveland, Anderson, and Sharonville put us back into a most favorable position. Our only league loss was with Glendale with a crushing defeat of 64-33, but the final victory over Taylor brought us to a tie with Sycamore for the league championship.

Our defeat in the first tournament at the hands of Anderson was difficult to take but it was lost in a good fight to the end with their scoring one point in the last twenty seconds.

The Girls Varsity Basketball team enjoyed a season of six games. While the quintets from Wyoming and Milford offered more than our five could deal with, the results were victorious when we battled Loveland, Indian Hill, Mariemont, and Madeira.

The reserves were not quite so fortunate and our side bagged only two out of the possible six games, with substantial scoring over Loveland and Milford. Everything considered, girls basketball this year concluded with the feeling that it had been a good season, and that everyone was rewarded sufficiently by the experiences of playing some rather formidable teams.

The volleyball team was able to get only one school to challenge in competition this year, and that turned out to be almost more than the Terrace Park girls could handle.

They improved as the season advanced, however, and gave them one good walloping, 70-35. This seemed to even things out, for in the last game Sycamore came back and beat us by the narrow margin of only two points.

Baseball

Mr. Rutenschroer's baseball team really got off to a fine start. Because Madeira and Milford games were rained out, Indian Hill was our opener, and they were defeated by our men with a score of 6-0. The second game, also with Indian Hill, gave us the victory at 11-2. Sharonville succumbed at 21-2 and again at 9-0. Sycamore gave us our first defeat, 4-6. Remaining games were with Elder, Loveland, Deer Park, and Milford.

The golf team got off to a bad start, losing to Colerain, 8-0, and Sharonville, 6-2. The next games ended in wins with Taylor, 6-2, and Mt. Healthy, 5-3. We hope this was an indication of good things to come in the games with Indian Hill, Sycamore, and Glendale. The featured event for the year was the District Golf Tourney on May 17.

The Terrace Park thinclads boasted an impressive array of Junior division runners and jumpers who gained considerable points in the varsity meets against older and stronger upper-classmen.

The most satisfying meet of the season was a triangular affair with Madeira and Loveland. The Bulldogs outpointed the Mustangs and the Tigers 23-13-1, respectively.

Good Sportsmanship Awards

UPPER PHOTO, left to right: B. Fox, B. Davidson, Mr. Avery. LOWER PHOTO: B. Johnson, B. Davidson, Mr. Rutenschroer.

Terrace Park can certainly be proud of the record it made this year as far as sportsmanship is concerned. By holding our tongues when they needed holding, following the directions of our cheerleaders, and using just plain common sense, we pulled through with the Good Sportsmanship awards in *both* football and basketball.

As Mr. Avery and Mr. Rutenschroer said when they made the presentation before the student body, "This is one time that the glory does not lie with the teams alone. Every student, parent, faculty member, and other person who went to the games has a right to the pride he feels in this accomplishment."

First impressions are the most important, but last impressions are likely to be remembered longer. Since this year was our last year to make an impression for Terrace Park High School, let's hope it is remembered for a long time.

Terrace Park Band

Among the notable contributions of the Terrace Park High School Band for this year were the appearances in the Labor Day Parade and Concert, the Milford Parade, the University of Cincinnati's Band Day, Xavier University's Pee Wee Football Game, the Spring Concert at Terrace Park, and the final appearance at graduation. Other than all these special events the band was there adding color and spirit to all our football games. Mr. Tate and the members of the band are to be heartily commended for their share in the enrichment of school life at Terrace Park.

A thrill which we all experienced at the different sports events is that first glimpse of the majorettes as they made their appearance, heralding the approach of the band. The majorettes appeared at all football games and at a good portion of the basketball games this year. Carol Wiebold, head majorette, and Mary Ann Tooker, our diminutive mascot, appeared on television on November 22, 1956. Those who were fortunate enough got a close-up of these students who helped so much to keep our reputation for the year at a high level.

The mixed chorus appeared at our special Christmas program just before the holidays and presented many musical selections. They sang for the graduation exercises and at the Music Boosters' Awards Dinner which was held on April 5 for all of the musical organization here at Terrace Park.

The most ambitious project for the chorus was the presentation of the operetta, "Meet Arizona." Based on a western theme, the operetta was presented on May 17, 1957.

Carthage Fair Winners

Terrace Park Home Economics students, under Miss Blank's supervision, carried away the lion's share of awards at the Carthage Fair. They received the sweepstakes ribbon for first place in the style show, and their Home Economics projects took three firsts, four seconds, and six third places.

Mr. Leming's Industrial Arts Class distinguished itself by receiving many awards, too. Firsts went to M. Arnold, R. Bossett, F. Strunk, E. Coy, and D. McClland, a second to D. Williams, and thirds to B. Bohl, J. Menchhofer, and D. Worley.

Mr. Sheffield's Art students expressed their talents in various ways and ranked well at the Carthage Fair.

In Crafts, N. Butts and B. McDonald received seconds; Black Print, E. Coy—second; Portraiture, B. Marshall—first; Stylized Design, A. Kirby, P. Lloyd, T. Marsh—third; Three-Dimensional Design, A Kirby—third; open competition, K. Maerki—third.

We can certainly be proud of all three of these departments for the glory they have brought to our school.

The Annual

Everybody knows what an annual staff does—they put out an annual. This task involves a lot of equipment and a need for storage space. Until this year the annual staffs had the equipment but not the storage space.

However, the Annual and Bulldog were both fortunate enough this year to get permission to take over the old teachers' room on the second floor of the main building. They named this catch-all the Bullbook Room (Bulldog plus Yearbook equals Bullbook). They equipped the room with a typewriter, two file cabinets, a table, some chairs, and set to work.

In looking back at previous Terrace Park Annuals, the staff has noticed that each year brought improvement of some kind. They realized that they haven't yet reached perfection, but they hope that this final edition at least contains the traditional improvements over last year.

The Bulldog

A new management policy was the key to this year's enlarged Bulldog. Page editors were selected and took the job of preparing the four pages. The editor-in-chief and assistant editor were able to supervise all the proceedings. This has made the paper more a school project, rather than an "editor's project."

Canteen

Student Council undertook the organization of a Canteen this year. The Canteen functioned after most of the home basketball games. The idea caught on fast with other students. They enjoyed the opportunity of having a place to eat, dance, play cards, and see movies.

Homecoming

The Juniors and Student Council did a fine job on this year's Homecoming. Student Council had charge of the floats, all of which proved to be both unique and attractive. There was something extra special about the Eighth Grade float that made it take top honors, though.

Leslie Jones made an attractive queen; her attendants were Lorraine Trusty, Norma Butts, Dottie Thompson, and Jane Ouzts.

We won the game with Madeira 47-6, making the day a complete success. To end things up in grand style, the Juniors gave the customary Homecoming Dance that night. The theme was Dancing and Dreaming and everybody had fun doing just that.

Junior Play

THE CAST, Left to Right: T. Hoffman, J. Itin, L. Heil, D. Williams, S. Hoffman, C. Lindell, M. Milford, T. Tooker, L. Terwilleger, A. Kirby, P. Perry, D. McClland, N. Mead, B. Murray, P. Kocar, D. Fender, W. Buschard, B. Ferris, M. Pence, D. Martin.

On December 15, 1956, the Junior Class presented "We Were Young That Year" under the direction of Mr. Constable. If the success of the event was measured by the size of the audience, the Class of '58 really had a smash hit on their hands.

Don't let'em push you around, Mike.

Leave them alone, you pests.
Can't you see they're trying
to "Watch the show."

This is one of the more
technical sides of the show.

The King and Queen and their court lead the guests into dinner.

The 1956-57 prom this year was one to be remembered. It was held at the Terrace Park Country Club, April 26, 1957; the music was supplied by the Bullmoose Band, and the theme was Celestial Garden. It also was the last Terrace Park Junior-Senior Prom.

After the prom there were a movie at Mt. Lookout Theatre, two open houses, and breakfast at school.

The Juniors elected Phoebe Lloyd and Tom Tooker as their Prom Queen and King.

It must have been a good dinner; they're all eating.

G. A. A. Formal

This year the GAA Formal was held on March 2, at the Terrace Park gym. The theme, appropriate for the month, was "Shamrock Isle." The crowning of Miss GAA and Man of the Year was the high point of the evening. Miss GAA, Shirley Diefendorf, was chosen from among the senior girls who were eligible. The Man of the Year, Bob Davidson, was elected from among the boys of the ninth through the twelfth grades. So this event won't fade from their memories, Bob and Shirley received engraved bracelets.

G. A. A. Semi- Formal

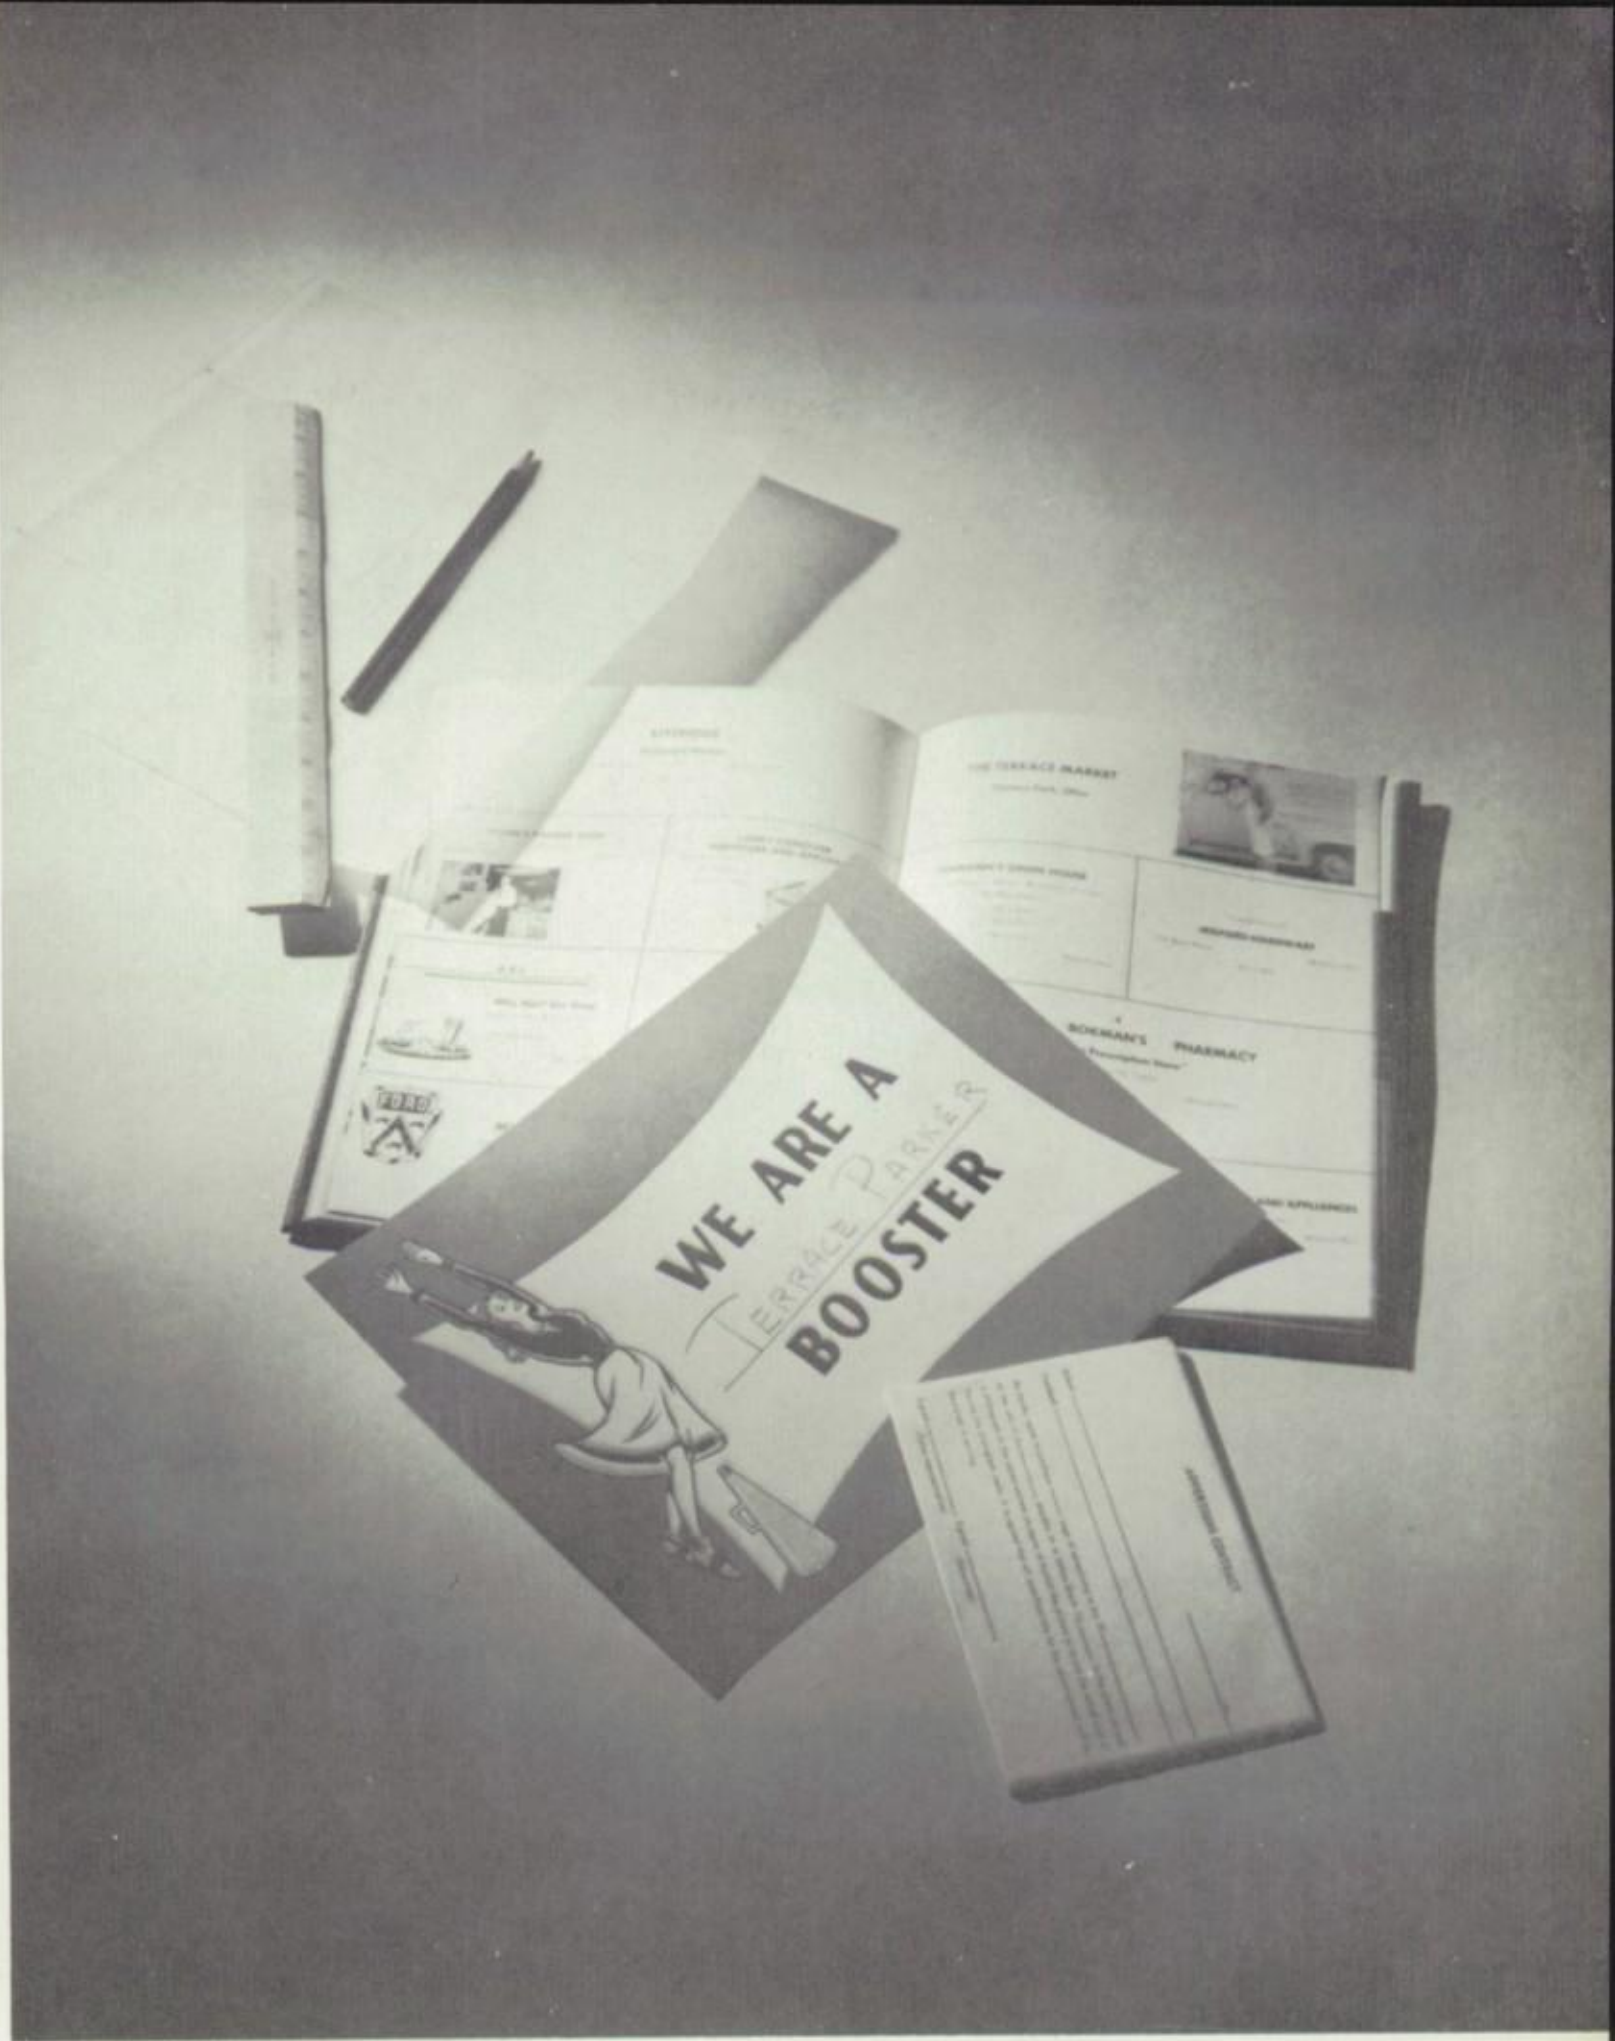

The Christmas dance this year was sponsored by GAA. This event occurred December 22, 1956 at the Newtown gym and was called Crystal Fantasy.

1. Nice? donkey. 2. ohhh, look! 3. Wait a minute! 4. No ruff stuff now, keep it clean. 5. Hey, Janet, what's wrong? 6. 1,2,3, up! 7. No cheating! 8. Giddy up— 9. Did the donkeys decide to have a party of their own? 10. Congratulations Mert! 11. Catch it, Janice! 12. What are ya waitin' for? 13. Hey, Mr. Reece, watcha got there? 14. ...and here comes BEETLEBOMB up on the outside... 15. Boy, do they ever look cute! 16. Careful, you might hurt the donkey.

History of Terrace Park High School

The first Terrace Park School was located at the corner of Elm Avenue and Wooster Pike. This small brick structure, which is still standing, was built in 1832 and was used until 1913 when the present main building was completed. The first commencement with one graduate was held in 1890. Terrace Park received its charter as a first grade high school October 18, 1921.

Terrace Park School has grown property-wise as well as student wise. The acquisition of four acres of adjacent land in 1955 made possible the addition of a modern section to the main brick building. This project consisted of six classrooms, a library, and a cafeteria. Plans were then made for 10 additional rooms, to be added to the new wing. At their completion use of the old colony, built in 1931, was terminated. The new colony, an adequate stucco structure, dates back to 1939. As the number of buildings, pupils, and faculty members increased, the curriculum tripled and the extra-curricular activities flourished.

Through its long history Terrace Park High School achieved a respected place in the county system. However, this will be the last entry to the history of Terrace Park High School, for in the fall of 1957, Terrace Park Students will go to Mariemont high school while Newtown students go to Forest Hills High School.
